VAT rate increase to 10% effective 1 January 2022 with one year transition period

Following the approval from the Shura Council, on 23 December 2021, HM the King of Bahrain approved Law no (33) for the year 2021 amending Decree-Law no (48) for the year 2018 Regarding Value Added Tax (VAT Law) to increase the standard VAT rate from 5% to 10% effective 1 January 2022. Law no (33) amends certain provisions of the VAT Law and provides for a transition period of one year ending on 31 December 2022. Suppliers will have to charge 5% VAT on standard rated supplies made during this transition period where certain conditions are met.

The Bahrain National Bureau for Revenue (NBR) has released a VAT Rate Change Transitional Provisions Guide and VAT FAQs on the transitional rules. It appears that the transitional rules are mandatory where the conditions are met and not optional similar to when the Kingdom of Saudi Arabia increased the VAT rate in 2020. The Bahrain National Bureau for Revenue (NBR) has released a VAT Rate Change Transitional Provisions Guide and VAT FAQs on the transitional rules (collectively referred to as Transitional Guidance). The transitional rules and FAQs have been summarised by us in our latest [Tax Alert](#).

As per the Ministerial Order (MO) No (28) of 2021 dated 3 February 2021, CbC notification and reporting applies to all businesses that have a legal entity or branch in Bahrain and are members of a Multinational Enterprise (MNE) group with annual consolidated revenue of at least BHD342m (USD906m). The MO defines relevant terms such as Multinational Enterprise (MNE) Group, Excluded MNE Group, Constituent Entity (CE), Ultimate Parent Entity (UPE), and Reporting Entity (RE). The new CbC reporting requirements apply to financial years beginning on or after 1 January 2021. As per the MO, for MNE groups with a financial year end of 31 December 2021, the first Bahrain CbC notification deadline is 31 December 2021.

The Bahrain National Bureau for Revenue (NBR) are yet to release any information on the specific requirements for CbC notifications but it is likely to be online through their [International Tax Information Exchange System \(ITIES\) portal](#). The NBR page on CbC reporting still states 'coming soon' – see screen shot below. When you log into the NBR ITIES portal a new [CbC reporting guide](#) is available - however the guide is unclear on whether:

- notifications will still be required for Bahrain CEs of MNE groups headquartered outside Bahrain.
- the deadline for notifications for Bahrain headquartered MNE groups has been extended (under the MO notifications are due 31 December 2021 for FY ending 31 December 2021)

Under the MO the first Bahrain CbC report filing deadline is 31 December 2022 for MNE groups with a financial year end of 31 December 2021.
